If it doesn't have a Rock of Ages seal,  
it's not a Rock of Ages memorial.

Serenity in Granite Inc. is proud to offer Genuine Rock of Ages cemetery memorials and gravestones backed by the Rock of Ages Perpetual Warranty that is protected by a Perpetual independent Trust Company.

When you choose a cemetery memorial made by Rock of Ages, you don't need to look far to be assured of the quality you deserve, because the brand seal is carved discreetly at the bottom corner of the back side of your cemetery memorial and gravestone. This seal is a symbol of our promise of enduring quality to your family. It is the only way to be certain that yours is indeed a cemetery memorial from Rock of Ages. And the Rock of Ages Perpetual Warranty ensures that your grave memorial will be protected *forever*.
